Published biennially since 1983, The Best Lawyers in America is regarded as the preeminent referral guide to the legal profession in the United States. The Best Lawyers lists, representing 57 specialties in 50 states and Washington, DC, are compiled through an exhaustive review survey in which thousands of the top lawyers in the U.S. confidentially evaluate their professional peers. The current, 12th edition of Best Lawyers (2006), is based on more than 415,000 detailed evaluations of lawyers by other lawyers.

This unique referral guide is subscribed to by more than 4,000 of leading law firms in the U.S. and abroad, and by more than 1,000 of the world's largest corporations. For twenty years, they have used Best Lawyers to locate counsel in unfamiliar jurisdictions for major legal matters.

Only subscribers see all of the lawyers listed in a particular city or specialty in The Best Lawyers in America. Non-subscribers see only the names of lawyers who have arranged links to their firm pages or pages that we have constructed for them. Lawyers are allowed to use these links, but they are not required to do so, and lawyers are not required or allowed to pay a fee for a basic listing.

Because lawyers are not required or allowed to pay a fee for a basic listing, Best Lawyers has gained the respect of the legal profession, media, and clients as the most reliable, unbiased source of legal information anywhere. It has received accolades from presidents of the American Bar Association, been frequently featured in the U.S. media and exceeded circulation of more than 50 major metropolitan newspapers and magazines.
